

Continuing Professional Education

ACCREDITATION STATEMENT

The Endocrine Society is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical and professional education.

The Endocrine Society has achieved Accreditation with Commendation.

LEARNING OBJECTIVES

Upon completion of this educational activity, learners will be able to:

- Employ new knowledge and practical management skills critical to a successful career in biomedical research.
- Build effective relationships with peers and faculty that support strategic collaboration, leadership development, and career advancement.

TARGET AUDIENCE

This activity should be of substantial interest to advanced graduate students, clinical fellows, post-doctoral fellows and junior faculty of underrepresented minority groups engaged in endocrine related research.

STATEMENT OF INDEPENDENCE

As a provider of continuing medical education (CME) accredited by the Accreditation Council for Continuing Medical Education, and continuing professional education (CPE), the Endocrine Society has a policy of ensuring that the content and quality of this educational activity are balanced, independent, objective, and scientifically rigorous. The scientific content of this activity was developed under the supervision of the Endocrine Society's Committee on Diversity Inclusion (CODI) and Trainee and Career Development Core Committee (TCDCC). The supporters of this activity have no influence over the selection of the faculty or specific presentations.

PRIVACY AND CONFIDENTIALITY STATEMENT

The Endocrine Society will record learners' personal information as provided on CPE evaluations to allow for issuance and tracking of attendance certificates. The Endocrine Society may also track aggregate responses to questions in activities and evaluations and use these data to inform the ongoing evaluation and improvement of its CPE program. No individual performance data or any other personal information collected from evaluations will be shared with third parties.

ACKNOWLEDGEMENT OF SUPPORT

This activity is supported by an educational grant from the National Institute of Diabetes and Digestive and Kidney Diseases.

Continuing Professional Education

DISCLOSURE POLICY

The faculty, committee members, and staff who are in position to control the content of this activity are required to disclose to the Endocrine Society and to learners any relevant financial relationship(s) of the individual or spouse/partner that have occurred within the last 12 months with any commercial interest(s) whose products or services are related to the CPE content. Financial relationships are defined by remuneration in any amount from the commercial interest(s) in the form of grants; research support; consulting fees; salary; ownership interest (e.g., stocks, stock options, or ownership interest excluding diversified mutual funds); honoraria or other payments for participation in speakers' bureaus, advisory boards, or boards of directors; or other financial benefits. The intent of this disclosure is not to prevent CPE planners with relevant financial relationships from planning or delivery of content, but rather to provide learners with information that allows them to make their own judgments of whether these financial relationships may have influenced the educational activity with regard to exposition or conclusion.

The Endocrine Society has reviewed all disclosures and resolved or managed all identified conflicts of interest, as applicable.

The following faculty reported relevant financial relationships: None.

The following faculty reported no relevant financial relationships: E. Dale Abel, MD, PhD; Sherri-Ann Burnett-Bowie, MD, MPH; Leonor Corsino, MD MHS; Stephen Hammes, MD, PhD; Yvette Huet, PhD; Joshua Joseph, MD; Krista Kirk, SPHR, SHRM-SCP; Genevieve Neal-Perry, MD, PhD; Dequina Nicholas, PhD; Simon Rhodes, PhD; Glenn Rowe, PhD; Lindsey Trevino, PhD

Cherie Butts, PhD is employed with Biogen and receives a salary from the company. However, she will not be discussing the business lines or products of her employer in the context of this educational activity.

The FLARE Planning Group members associated with the development of content for this activity reported no relevant financial relationships.

The Endocrine Society staff associated with the development of content for this activity reported no relevant financial relationships.

DISCLAIMER

The information presented in this activity represents the opinion of the faculty and is not necessarily the official position of the Endocrine Society.

POLICY ON UNLABELED/OFF-LABEL USE

The Endocrine Society has determined that disclosure of unlabeled/off-label or investigational use of commercial product(s) is informative for audiences and therefore requires this information to be disclosed to the learners at the beginning of the presentation. Uses of specific therapeutic agents, devices, and other products discussed in this educational activity may not be the same as those indicated in product labeling approved by the Food and Drug Administration (FDA). The Endocrine Society requires that any discussions of such "off-label" use be based on scientific research that conforms to generally accepted standards of experimental design, data collection, and data analysis. Before recommending or prescribing any therapeutic agent or device, learners should review the complete prescribing information, including indications, contraindications, warnings, precautions, and adverse events.
