

**ENDO**2022

NOW AVAILABLE: ENDO 2022 SESSION RECORDINGS

## Accreditation

### Internet Activity Accreditation

- **Title of the activity:** ENDO 2022 Session Recording: Reproductive Endocrinology
- Release date: 02/06/2023
- Expiration date: 12/31/24

The Endocrine Society is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Endocrine Society has achieved Accreditation with Commendation.

### **AMA PRA Category 1 Credit**

The Endocrine Society designates each activity in this course for a maximum of 4.75 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity. While offering CME credits noted above, this program is not intended to provide extensive training or certification in the field.

*Please note that while other accrediting bodies accept AMA PRA Category 1 credit, we can only award and report this credit for MDs/DOs. For those outside of this accreditation, please complete the participation evaluation and use that certificate as proof of attendance to submit to your accrediting body.*

For questions about content or obtaining CME credit, please contact the Endocrine Society at [info@endocrine.org](mailto:info@endocrine.org)

### **CREDIT CLAIM DEADLINES**

- December 31, 2024

### **CREDIT CLAIM INSTRUCTIONS**

1. Visit [education.endocrine.org](http://education.endocrine.org)
2. Select "My Courses" or the Home icon on the left-hand side
3. Search for and click on ENDO 2022 Session Recordings
4. View all sessions of interest
2. Upon completion of each session, complete brief evaluation and claim credit.
3. Once you have viewed all sessions for which you wish to receive credit, complete the overall course evaluation to obtain your certificate

### **STATEMENT OF INDEPENDENCE**

As a provider of CME accredited by the Accreditation Council for Continuing Medical Education, the Endocrine Society has a policy of ensuring that the content and quality of this educational activity are balanced, independent, objective, and scientifically rigorous. The scientific content of this activity was developed under the supervision of the Endocrine Society's guideline task force.

### **DISCLOSURE POLICY**

The faculty, committee members, and staff who are in position to control the content of this activity are required to disclose to the Endocrine Society and to learners any relevant financial relationship(s) of the individual or spouse/partner that have occurred within the last 12 months with any commercial interest(s) whose products or services are related to the content. Financial relationships are defined by remuneration in any amount from the commercial interest(s) in the form of grants; research support; consulting fees; salary; ownership interest (e.g., stocks, stock options, or ownership interest excluding diversified mutual funds); honoraria or other payments for participation in speakers' bureaus, advisory boards, or boards of directors; or other financial benefits. The intent of this disclosure is not to prevent planners with relevant financial relationships from planning or delivery of content, but rather to provide learners with information that allows them to make their own judgments of whether these financial relationships may have influenced the educational activity with regard to exposition or conclusion.

The following AMSC members reported relevant financial relationships:

- **Andrew Bauer**, MD, Speaker: Hexal, AG
- **Antonio Bianco**, MD, PhD, Consulting Fee: Allergan, BLA Technology, IBSA Foudnation, Synthonics

- **Kristien Boelaert**, MD, PhD, Advisory Board: Pfizer, Eisai
- **Massimiliano Caprio**, MD, PhD, Grant Recipient: Bayer AG
- **Bart Clarke**, MD, Advisory Board: Bristol-Myers Squibb; Consulting Fee: Shire/Takeda, Inc., Calcilytix, Inc., Amolyt, Inc.
- **Carolyn L. Cummins**, PhD, Member, American Association of Pharmaceutical Scientists, Canadian Society of Pharmaceutical Sciences; Reviewer and Grantee: Canadian Institutes of Health Research
